

Nitro Whip & Nitro Chargers Recipes

Nitro Coffee

INGREDIENTS

32 ounces of Cold Brew Coffee

1 Nitro Charger (Nitrogen gas)

Pour the Cold Brew Coffee into the iSi Nitro Whip, screw on 1 iSi Nitro Charger and shake vigorously. Dispense against the side of Pint Glass for optimal cascading effect.

Yield: two 16 ounce portions

Nitro Tea

INGREDIENTS

32 ounces water

20 g honey

6 teabags of fruit tea (red berries)

5 ounces mango puree

1 Nitro Charger (Nitrogen gas)

Brew water, honey and tea bags in the refrigerator for 24 hours.

Then pass through a cone-shaped coffee filter into the iSi Nitro Whip. Screw on 1 iSi Nitro Charger and shake vigorously.

Pour the mango puree into 2 tall glasses and dispense the Nitro Fruit Tea into each glass, above the mango puree, against the side of the glass for optimal cascading affect.

Yield: two 16 ounce portions
