

If it's Russell supplied, you can depend on it!

- Stainless Steel Interior and Exterior™. Commercial Grade Stainless Steel stands up to the rigours of everyday wear and tear.
- Equipped with Energy Efficient Digital Controller featuring visual/audible product protection alarm.
- Energy-Saving, Time-Initiated, Temperature-Terminated Defrost System with Evaporator Fan Motor Delay during Defrost and Fan Motor Interrupt on Door Opening. Features Manual Defrost Override Button.
- Technologically advanced ProductTemp™ provides superior control over product temperature. Product temperature displays externally on digital controller to a resolution within 0.1°.
- Exclusive Lint-Tolerant Design with Four Fins Per Inch, maximizes air-flow over the compressor and minimizes build-up of dust and lint.
- Coated Evaporator Cooling Coil eliminates the potential for corrosion and system failures, predominant with storage of foodstuffs.
- Exclusive Automatic, Condensate Control System is Stainless Steel, Maintenance-Free and Energy Saving.
- Exclusive Self-Closing Swing Doors feature Easy-Mount Door System, Hold-Open Position, and Spring-Back Protection.
- Stainless Steel Floor with Coved Corner Interior Construction for Easy Cleaning. Coated Shelves are Corrosion Resistant and NSF Approved.
- Equipped with Commercial Casters and Door Locks.
- Auto-Actuated Interior Light.
- Operates on Dedicated 15 amp Circuit.
