NEW Tamper Resistant Food Delivery Bags

As more and more restaurants pivot to delivery and takeout, ensuring a safe and secure transfer of food to the customer is paramount. The plant based SimplyFresh 2-GO delivery bags will placate customer concerns and reassure them on the integrity of every food delivery. Utilizing a secure adhesive strip and perforated tear line, these bags are easy to use from both the provider and customers perspective.

3139/SIMPLY FRESH 2-GO

- Easy Peel closure strip for secure seal.
- Perforated for easy opening.
- Holes to release steam.
- Made with plant based material.

*Minimum order for a custom log is 100,000 units. Custom sizes also available on request. Contact your RH Sales Rep for details.
