Steam Table Pans

18-8 stainless steel pans feature an added shoulder around the top to prevent jamming during storage. Double reinforced corners provide a unique impact resistant edge which will hold the shape of the pan. The pans also feature a spoonable bottom that maximizes serving yield and is easier to clean. Highly versatile and can go from the freezer to oven to serving line. NSF listed.

Full-Size 20-3/4"L x 12-3/4"W	Quarter-Size 10-3/8"L x 6-3/8"W
